Protocol nr.:/BEE 1381

CERTIFICATION

We hereby certify that the company **ET.M.ER. S.A.**, undertook and executed as a Contractor, on behalf of **HELLENIC PETROLEUM S.A.** in the Elefsina Industrial Complex, the following project :

" S-016/05 VARIOUS PIPING & MECHANICAL PROJECTS "

Assignment date : 23/10/2007
Contract Nr. : 4403005775
Project budget : 500.000,00 €
Duration : 18 months
Final cost : 2.577.455,20 €
Description of works : The project included the following works:

- Field measurements and detailed design.
- Prefabrication of piping and equipment.
- Piping and equipment erection.
- Fabrication and erection of steel structures (equipment attics, pipe routing ways, pipe supports, etc.).
- Sandblast and painting of pipes - equipment and steel structures.
- Networks insulation using rockwool.
- Erection and removal of scaffolding.

The works on piping related to products networks and auxiliary lines and were performed on all production and handling units of the refinery.

Pipe sections ranged from 1/2" - 56" and materials were C.S. - A.S. - S.S.

All main piping materials and equipment were provided by Hellenic Petroleum.

The execution of the project was utterly satisfying and promptly delivered.

This certificate was granted to the a.m. company after its request and for any lawful use.

**On behalf of
