CERTIFICATION

We hereby certify that the company **ET.M.ER. S.A.**, undertook and executed as a Contractor, on behalf of **NESTLE ICE CREAM S.A.**, in the ice cream facilities at Varna in Bulgaria, the following project:

"ICE CREAM PLANT MODERNIZATION ACTIVITIES"

- Contract** : 2008
- Duration of works** : 10 months
- Final cost** : 640.000€
- Description of works** : The project included the following main activities:
- a) New ice cream aging unit
 - Removal of all old equipment and transport outside the factory (aging units, vessels, etc.)
 - Installation of all new equipment (aging units, vessels, pumps, freezers etc.)
 - Construction of all manifolds and pipe networks (AISI 316L / SMS 1145 Φ 25,4 - 76,1) for the interconnection of the new aging unit with the production machines (freezers, ice cream machines)
 - Procurement of materials and construction of all steel structures (attics, runways, escalators, supports, materials INOX 304)
 - b) C.I.P Unit
 - Full construction of new C.I.P unit including installation of all new equipment (C.I.P tanks, C.I.P pumps, heat exchangers, vessels, chemical pumps, etc.) interconnection of equipment to pipe networks, interconnection of the new unit with factory networks (AISI 316L / SMS 1145 Φ 25,4 - 101,6mm)
 - Procurement of materials and construction of all steel structures (materials INOX 304)

The equipment and pipe materials were supplied by NESTLE ICE CREAM BULGARIA S.A.

The total duration of the activities was 10 months.

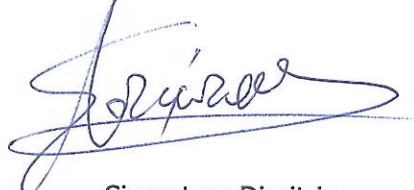

The project has been executed in two phases. The ice cream aging unit: 2,5 months. The C.I.P unit: 1 month.

The executed works, as they have been invoiced, amounted to: 640.000,00 € V.A.T excluded.

The execution of the project was utterly satisfying and promptly delivered.

This certificate was granted to the a.m. company after its request and for any lawful use.

On behalf of NESTLE
